- Do not share food & drink, or equipment such as walking poles

After the walk

- At the end of the walk do not congregate in larger groups, 'the 'rule of 6' will now apply.
- Walk leaders are currently required to keep a list of contact details of members of each group as a coronavirus precaution for a period of 21 days after the walk. During this period, if required by NHS Track and Trace, these contact details may be shared with them. After this, the lists kept by the walk leaders will be destroyed.
